

Taylor in Viet Nam, May Call in U. S. Troops

By JOHN GRIFFIN

SAIGON, South Viet Nam (AP) — Gen. Maxwell D. Taylor, President Kennedy's special military adviser, arrived today to size up the Communist threat to South Viet Nam and expressed the Kennedy administration's "utmost confidence" in the government of President Ngo Dinh Diem.

A few hours after Taylor's arrival Diem proclaimed a state of emergency throughout the country in an apparent move to step up the fight against the Communist-led Viet Cong rebels.

The decree was signed last Sunday, but its announcement was apparently timed to coincide with Taylor's visit to determine whether it is necessary or advisable to send U.S. troops to assist Diem's forces.

The emergency decree suspended the application of all laws until further notice. The National Assembly was called into session and was expected to give Diem its usual solid support.

Taylor told newsmen his visit reflects Kennedy's concern over reports of stepped-up aggression against Viet Nam and that he would seek ways to assist the Diem government.

The general plans to tour mountain highlands near the Laotian border and the southern Mekong delta region, both rebel strong-points. Much of the concern that led to his mission centers around reports of heavy infiltrations of Viet Cong troops from North Viet Nam across the Laotian border.

Taylor's schedule has been announced only through Saturday, and there has been no indication of how long he may stay after that. He also is expected to visit Thailand, which fears Communist infiltration as the result of the growing Communist influence in Laos.

Schools Set Teacher, Parent Talks

James H. Jones, Supt. of Schools, announced today that all the Hope white and Negro elementary schools will be dismissed Friday, Oct. 20, for the purpose of Parent-Teacher conferences. This includes the Fulton Negro Elementary School.

"We feel that these conferences will be of value to the parent, the teacher and the child. We sincerely hope that the parents will take advantage of this opportunity to discuss with the teacher your child's progress," Jones said.

A notice will (or has been) sent to each parent by the child stating the approximate time for the conference. If the assigned time is not convenient please state the time that will be most convenient to you and return the notice to the school by the child. Junior and Senior High Schools will operate on regular schedule.

Benton Okays Bonds for New Plant

BENTON, Ark. (AP)—A \$500,000 bond issue to build a factory for Wheatley Industries, Inc. of Tulsa, Okla. has been approved by Saline County voters.

Unofficial returns showed voters favored the issue by more than three to one in a special election Tuesday.

Work on the plant is expected to begin in about two weeks. A two mill tax will be levied in the county for the first year to pay for the 20-acre site.

The bonds are to be retired in about 22 years from rent paid by the Wheatley firm.

The firm manufactures pumps and valves.

\$3.5 Million in Highway Bids

LITTLE ROCK (AP) — The Arkansas Highway Department will open bids Nov. 8 on 13 road and bridge jobs costing an estimated \$3.5 million.

The jobs were advertised Tuesday.

The largest project is reconstruction of 5.9 miles of Highway 167 from Sheridan to its junction with Highway 35 in south Grant County.

Another large job is construction of a bridge for Interstate Highway 30 across the Ouachita River near Malvern.

Alford Thinks Army Ruling May Change

PINE BLUFF, Ark. (AP)—Rep. Dale Alford, D-Ark., indicated Tuesday night that a move may be made in Congress to countermand a Pentagon order against military men participating in political seminars.

Alford was interviewed after a speech to the Reserve Officers Association of Jefferson County. He told 50 officers and wives, "All of us, as well as military leaders, must not be afraid to stand up and speak out against the mortal enemy of our American way of life."

The congressman was asked to elaborate on this remark. Did he advocate that military men should disregard the Pentagon order? "I think they should have freedom of speech," Alford said.

Is it up to Congress to clear the way for free speech? "Yes," Alford said. "The people are demanding it."

Did he have any legislation in mind? "I'll only say that a number of congressmen have met and discussed what could be done," he said.

Alford would not say where the meeting was held or what may have been decided.

Alford has been one of several congressmen who have attacked what they call a Defense Department effort to muzzle the military.

The Pentagon order was issued after Sen. J. William Fulbright, D-Ark., sent a memo to the Defense Department on participation by military officers in political forums.

Alford devoted most of his speech to an attack on what he called America's backing down in the face of the Soviet threat. He cited Korea and Cuba as two examples of backing down.

New Canning Plant at Alma

VAN BUREN, Ark. (AP) — Hill Parade Co. of Alma is building a new \$200,000 canning plant at Van Buren.

The plant will probably not increase the number of employees, according to Orval Hall, general manager. But, he said, it will mean that operations will be conducted for six to seven months during the year rather than for eight to 10 weeks as they have with the old plant.

The company employs about 150 persons in Van Buren.

ILLI, which cans vegetables, also has a plant at Alma. Operations there will not be affected by the new Van Buren plant, Hall said.

Would Like to See Ike Visit

MOUNTAIN HOME, Ark. (AP) — Winthrop Rockefeller would like to have former President Eisenhower visit Arkansas.

Rockefeller, Republican national committeeman, said here Tuesday night he was trying to get Eisenhower to come to Arkansas to help the party movement. He said he wanted him here for a Republican fund raising banquet.

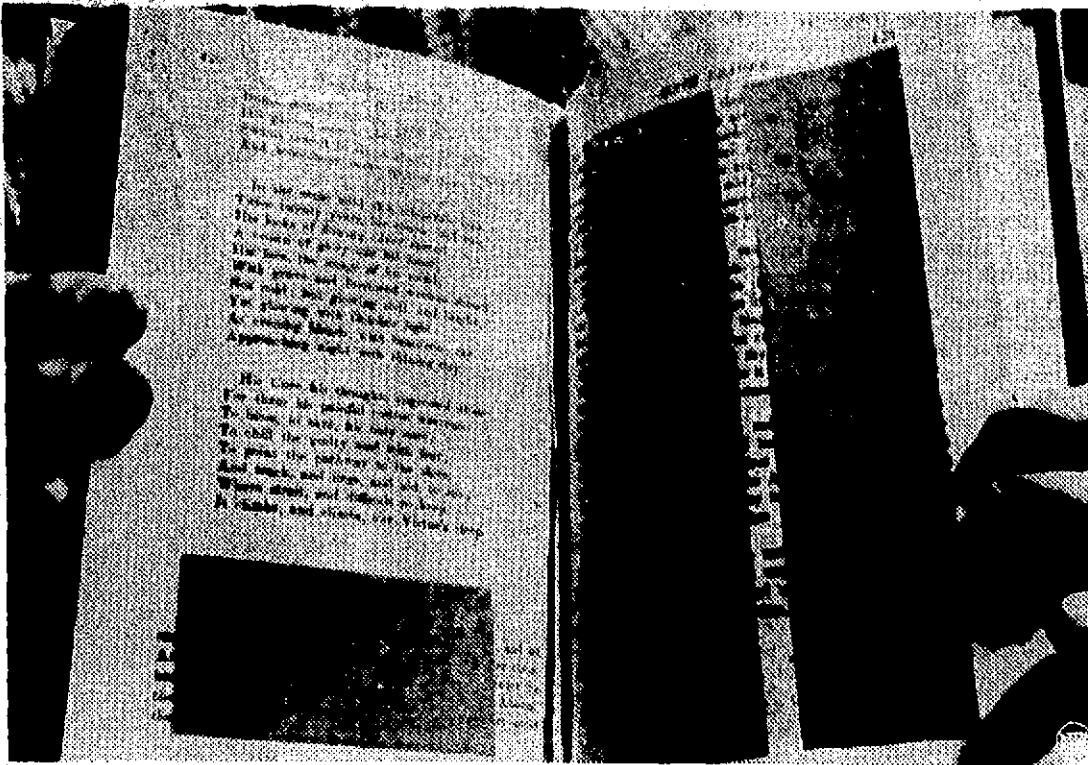

Rockefeller, continuing his party tour around the state, said that Arkansas has several Republicans in the state who "could make a real contribution in Senator Fulbright's post."

He said the state GOP would soon release a statement designed to attract more voters to the party. He said it will include suggested election reforms, Public Service Commission changes and a move to "put the highway Department back in the hands of an experienced professional group."

Rockefeller sidestepped questions about his possible gubernatorial aspirations.

All Charitable Agencies Are Invited to Participate in One Campaign, United Way

In past years Hempstead County citizens were asked to contribute money to many different fund campaigns. In fact when you saw a person approaching your front door there was a high probability that you were to be solicited for a contribution.

This is the third year citizens are being asked to give to one, for the benefit of many charitable organizations.

The United Fund, created in Hempstead County two years ago, joined together many health, welfare and character-building agencies for Hempstead County's largest fund raising campaign in history.

The total sum contributed will be shared by the Salvation Army, Red Cross, Boy Scouts, Girl Scouts, Muscular Dystrophy Assn., United Cerebral Palsy Assn., Underprivileged Children's Fund and will be offered to the American Heart Assn., Polio Fund, American Cancer Society and Muscular Sclerosis Assn.

Many volunteers will take part in this once a year drive which officially began this year on Oct. 16 and extends to Oct. 31.

The United Fund is the first major step taken to cut down the growing list of health and welfare services soliciting funds from Hempstead citizens.

Serving as president of the United Fund is Clifford Franks and F. C. Crow is General Chairman of the 1961 campaign. "Assuring a single, joint appeal for gifts covering the greater part of the needs of privately supported welfare activities in Hempstead County, the United Fund represents the biggest forward step of its kind in decades," according to Chairman Crow.

"However the job of reaching the goal will be an enormous task Mr. Crow said. In order to meet this record breaking goal, a suggested Fair Share giving scale has been worked

Explosion Shakes Area in Chicago

By EDMUND D'MOCH

CHICAGO (AP)—An industrial explosion shook a wide area of the West Side today and at least 60 persons were reported injured.

There were no fatalities confirmed immediately but Francis Levelle, deputy police superintendent, said two persons were unaccounted for.

Eighteen were injured in the mixing room of the Helene Curtis Industries cosmetics plant, 4401 W. North Ave., occupying an entire city block. Levelle said 50 persons were injured in a Zenith Radio Corp. plant nearby.

A heavy odor of sulfuric acid spread over the site and impeded rescue work. Heavy plate glass windows were blown from buildings in a radius blocks from the site of the blast.

The most seriously injured victim brought to Walther Memorial Hospital was a man painfully burned on the face.

Most of the other injured suffered shock and minor hurts.

Dr. Samuel Grant, research director for Helene Curtis Industries, said he believes the blast was caused by a chemical reaction to mixtures involving alcohol. The workers were making resins for use in cosmetics, he said.

All first-floor windows in the four-story Zenith plant across the street were blown in and flying glass struck workers at desks and benches along the windows.

Police cleared an area a block around the explosion site as a precaution against further explosion of chemicals stored in the plant.

The Curtis plant is the main facility of the Chicago-based company that employs 2,000 persons in several plants. It makes beauty salon supplies and equipment and retail toiletries, primarily shampoo and hair spray.

The suggested fair share gift from persons paid on an hourly basis is one hour's pay per month.

The suggested gift from salaried personnel ranges from 6-10ths of one per cent to two per cent of annual income.

Sam Wright to Be Buried in Texas

Samuel Stanley Wright, aged 57, a resident of Shovel Springs, died Tuesday in a local hospital. He was a farmer.

Survivors include his wife, Mrs. Helen Wright; a son, Joel Sam Wright; two daughters, Virginia Ruth and Sandra Sue of the home; two brothers, Rev. Jim Wright of New York and Carl Wright of Seymour, Texas; five sisters, Mrs. G. S. Porter, Mrs. Louis Smith of Waco, Tex., Mrs. J. O. Waller of Mt. Calm, Tex. and Mrs. Artie Pickens of Axtell, Texas.

The body was returned to Mt. Calm, Texas where burial will be held at 2:30 p.m. Thursday in Mt. Antioch Cemetery. Herndon Cornelius was in charge of local arrangements.

Editor to Speak at Arkadelphia

Max H. Washburn, editor and publisher of Hope Star, will address the Kiwanis Club at Arkadelphia Thursday night, October 19, on National Newspaper Week. The program, arranged by Robert W. Porter, Kiwanis club program chairman and former Hope citizen, will be held at 6:15 o'clock in Cedric's cafeteria.

U. S. Forces in Berlin Test Readiness

By JOHN FIEMH

BERLIN (AP) — Nearly half West Berlin's 6,500-man U.S. garrison rolled out today for a three-day test of combat readiness.

Tanks rumbled through the streets at daybreak, followed by armored personnel carriers packed with steel-helmeted troops.

There was a cold fall wind under blue skies as the columns wheeled out of their barracks and headed for the Grunwald Forest, in the American sector southwest of the city proper, where the mock battles will be staged.

Berliners on their way to work waved to the Americans, who grinned and waved back, especially at the girls. An Army spokesman emphasized that the war games—dubbed Ever Ready II—were planned in July, well ahead of the Communist closure of the East Berlin border Aug. 13.

Approximately 3,000 men are taking part under the over-all leadership of Brig. Gen. Frederick O. Hartel, the U.S. commander in Berlin.

The purpose of the major fall exercise is to practice attack and delay against an aggressor, to test the troops' ability to hold off an invading force until help can come from West Germany.

Taking part in the maneuvers are the 2nd and 3rd Battle Groups of the 6th U.S. Infantry division, Col. John R. Deane Jr. commands the 2nd, Col. Wayne M. Winder the 3rd Battle Group. Since the Berlin wall went up Aug. 13 the U.S. garrison has been augmented by an additional battle group from West Germany, but it is not involved in the maneuvers.

Gen. Hartel said Ever Ready II will emphasize squad and platoon tactics in offense and defense. It will be a two-sided free maneuver, apparently with the red and blue sides alternating in attack and repulse.

Almost the entire range of army armor and weapons in Berlin will be brought into action. There will also be an amphibious exercise. Air operations by helicopters are also planned.

Today was set aside for the units to take up positions. The simulated fighting starts Thursday.

Two Men Leave Fallout Shelter

HAMPTON BEACH, N.H. (AP) — Two men emerged after 40 hours in a fallout shelter today, blinked at the sunshine and promptly announced they'll go back for a two-week stint next month.

William Kennedy, 34, owner of the above-ground concrete bunker, came out with a recommendation that other shelter owners conduct tests.

"If you don't get used to it, you'll never be able to stand it," he said. "You've got nothing but a tomb."

Kennedy and Andrianus van Hooijdonk, 56, of Exeter entered the \$2,000 shelter Monday morning.

Dampness was the major problem inside the shelter, Kennedy said. He plans to install a wooden plank floor before November.

The two men found they had trouble concentrating and that after a while all food began to taste alike.

Ft. Chaffee was reactivated as a part of the nation's military buildup. The 100th Division (Training) is handling its basic program.

French Will Expel 1,500 Algerians

By RICHARD K. O'MALLEY

PARIS (AP)—The French government decided today to expel 1,500 Algerians swept up in Tuesday night's curfew rioting, and said this is only the start of a giant weeding-out process.

Three persons were killed and 77 injured seriously in bloody battling between police and the Moslem North Africans protesting a curfew imposed on them. The dead were two Algerians and an unidentified European. Thirteen policemen were among the injured.

Riot squads arrested 11,530 Algerians from among about 20,000 who boiled out in the streets.

It was announced that 1,500 would be returned to Algeria within 48 hours. As identity checks continue, others are to be expelled.

The curfew, imposed to end down on Algerian attacks on police and warfare between rival Algerian gangs, brought a call for the demonstration from the rebel FLN—National Liberation Front.

It was headed in proportions which showed a broad and insistent support of the rebel government in its seven-year fight to break French rule in Algeria.

Khrushchev listed what he called three historical factors of the 20th century.

"The formation of the world socialist system is the principal result of the progressive development of society in our epoch," he declared.

It also pledges to overtake the United States in per capita production, to maintain peaceful co-existence between socialist and capitalist states, to support independence movements throughout the world, and to keep Soviet military forces at top efficiency.

'Imperialism' Downfall Seen by Khrushchev

By STANLEY JOHNSON

MOSCOW (AP) — Premier Khrushchev told the 22nd Soviet Communist party congress today that the downfall of imperialism and the triumph of socialism on a world scale are inevitable.

The Soviet premier took the rostrum at the second session of the congress to discuss the massive new party program—its first since 1919 — which the Kremlin claims will make communism supreme and irresistibly attractive to the rest of the world by 1980.

Khrushchev told the more than 4,000 delegates in the new Kremlin Palace of Congresses that the experience of a large group of countries had confirmed that the socialist system inevitably replaces the capitalist system.

Imperialism — the standard Communist term for Western capitalism — has irretrievably lost its hold on the bulk of the world's peoples, he declared, asserting that socialism is the main avenue along which mankind advances.

In the Soviet Union, he continued, socialism has been translated into reality and this 22nd party congress will go down in history as the congress of the builders of communism.

The premier said the Soviet people's living conditions have been radically altered as a result of these "colossal transformations"—that unemployment had been wiped out long ago, workers' real wages have risen 400 per cent, and the real incomes of the peasants have risen more than 500 per cent.

Khrushchev listed what he called three historical factors of the 20th century.

"The formation of the world socialist system is the principal result of the progressive development of society in our epoch," he declared.

"The crumbling of the colonial system is the second in historical significance among the results of world development."

forester Len Matlock said today that a big forest fire south of Jamestown has been contained providing the wind doesn't rise later.

At least 150 volunteer workers have been fighting the fire since Monday. It blackened an estimated 3,200 acres composed mainly of young pine.

At least 1,000 acres of the land belongs to the State Game and Fish Commission. The remainder is owned by private individuals.

The fire threatened a few homes Tuesday and destroyed an auto mobile belonging to J. A. Barger, a firefighter.

Matlock said it had not been determined how the fire started.

Vote Fraud Case Set for Trial

DE VALLS BLUFF, Ark. (AP) —

Trials of seven Hazen residents indicted in connection with alleged irregularities in elections last year have been set for late October and early November.

The trial of Phillip Smith was set for Oct. 30. He is charged with influencing another's vote in the December school election.

Dutch Hartlieb, Eagle Boyd and Conley Gray are scheduled for trial Oct. 31 for alleged false certification of votes in the Democratic primary Aug. 9, 1960.

Trials of Warren Brown, Rudy Van Houten and Irvin Sims of Hazen, charged with permitting fraudulent voting in the November, 1960, general election, were set for Nov. 2.

Cases of three other persons, also indicted last March, have not been set for trial.

The investigation grew originally out of a bitter primary contest for the Democratic nomination for state senator. It later was expanded to include other elections.

Charles F. George of Cabot, running as an independent, defeated former Sen. Jerry Screeton of Hazen, who ran as the Democratic nominee, for the senator's job in the general election.

Fulbright Makes Talk at Ozark

OZARK, Ark. (AP) — Sen. J. William Fulbright, D-Ark., continued to stress the importance of foreign relations to Arkansas' agricultural economy in two speeches here Tuesday.

The senator, engaged on a 10 week speaking tour of the state, addressed junior and senior high school students in the afternoon and an audience of 400 at night.

Fulbright said foreign aid has created an overseas market for Arkansas products, such as poultry, for which no foreign outlet existed 10 years ago.

Rep. J. W. Trimble, D-Ark., attended the night speech.

Bridges Will Be Dedicated

HEBER SPRINGS, Ark. (AP) — Two \$1 million bridges in the Greers Ferry area will be dedicated Nov. 3.

The bridges, at Edgement and Higdon, cross the Little Red River, where Greers Ferry Lake will be formed by a dam.

The two structures were built under supervision of the Arkansas highway department and were financed by the Army Corps of Engineers.

Bodies of Men Are Recovered

MENA, Ark. (AP) — Bodies of two Iowa men were recovered Tuesday from wreckage of a light plane which crashed on nearby Blackfoot Mountain on Oct. 1.

The mangled plane was found Tuesday by Bill Little, a Rich Mountain farmer, who was hunting squirrels in the rugged, forested area.

John B. Carter, 41, and Chet Yeager, 50, both of Red Oak, Iowa, were killed in the crash.

The plane had been sought since Oct. 1 when it was reported missing after refueling at Fayetteville.

Gerald E. Anderson of Red Oak, owner of the plane, had offered a \$2,500 reward for information on its whereabouts.

Little probably will qualify for the reward.

DOROTHY DIX

Time for Pupil to Teach

By HELEN WORDEN ERSKINE

Dear Helen: I was brought up by parents who believed the less a girl knew about life, the better. At 18, I married a man who was four years my senior. That was three years ago, and we now have two darling daughters.

My husband felt that he had married a somewhat ignorant girl, but he never consults me. He made me give up dancing, my friends, and almost everything that doesn't belong to the present that is ruled by him. Don't get the idea that he's not a good husband. He's a fine person, a good provider, and devoted to his family.

The problem before us is that he has come to the conclusion that we should both have some outside activities—but mine must be of his choice. He has suggested bowling, bridge clubs—all of which I detest. The one thing I want to do is to resume my study that George still regards me as of dancing, and that he won't per-

mit. How can I make him see reason? —Sonja.

Dear Sonja: In helping you grow up, your husband apparently has neglected to do so himself. Actually, you don't owe as much to his tutelage as you think. Being a young lady of good intelligence, you would have made the grade without too much assistance.

Your role was not so much that of a pupil, as of a crutch to support George's egotism. That's why he objects to your dancing. He thinks I should put his didn't want me to write to him. It's the one thing that you do better than he does; it's the one thing you learned independently of him; it's your chief claim to name on the deed, which means either complete individuality. Giving in of course, that when we are both to your husband on this point will gone, his children will share, with boy. I was deeply hurt, I have do him as much harm as it will my two, the property for which heard, through a mutual friend, you. He should regard you as a my father worked so hard. While

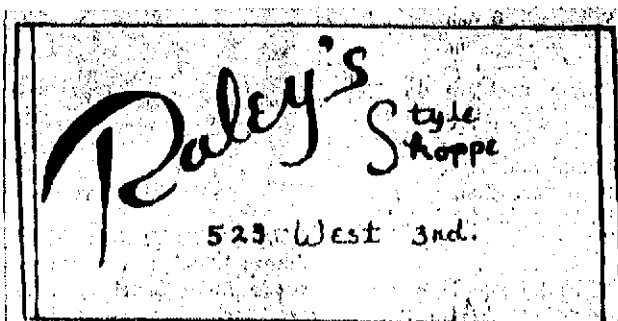

personality with talents, likes and dislikes apart from his.

Although still very young, you are wise in natural aptitudes and in ability to face life. Now it's your turn to help your husband. Ferret out the reason why he objects to your following a personal inclination and try to make him see the foolishness of his restrictions.

my stepchildren have been pleasant to me, they certainly have never gone out of their way to do anything for me. —Margaret M. Dear Margaret M.: A will would probably be a better solution than a change in deed, but your immediate necessity is a lawyer. The property laws of your state must be considered too.

Dear Helen: I am 18 and have been writing to a boy in the Marines who is 21. Recently I received a letter from him saying he wouldn't write me again, and he wouldn't want me to write to him either. Since I have grown to love the boy, I was deeply hurt, I have do him as much harm as it will my two, the property for which heard, through a mutual friend, you. He should regard you as a my father worked so hard. While

that the reason for his action was a recent letter of mine in which I practically proposed to him. He says he's not ready for marriage yet. I didn't realize I sounded so serious; how can I get myself out of this situation? - Gladys.

Dear Gladys: A lesson, I think, is the most you'll get out of the deal. Be friendly and pleasant when you see the boy, and perhaps his fondness for you will dispel his fears. In future, be more cautious and don't repeat the incident with this, or any other, boy. Young men like to do the wooing themselves; they hate to be hemmed in a corner by an overzealous girl.

Likes Bobcats Over Visiting Magnolia

By WICK TEMPLE
Associated Press Sports Writer

Arkansas high school football reaches its finest hour of the 1961 season Friday night when eight of the state's top ten teams play each other.

Little Rock Hall, ranked second in The Associated Press schoolboy poll, plays third-ranked Benton in the game of the week.

Fourth-ranked Jonesboro plays seventh-ranked Blytheville, fifty-ranked Camden plays sixth-ranked Little Rock Central.

No one could have planned a better schedule. The state's top team, Fort Smith, meets unrated Texarkana. And 10th-ranked Smackover takes on Pine Bluff.

In addition to the tossups in the top 10, there are nine other Class AA games in which the favorite's role carries a touchdown or less. For once, the lead-pipe cinches are few.

Thus our .748 forecasting percentage is likely to take a shot in the head, but here's the week's work:

FORT SMITH 35, Texarkana 12. The Grizzlies may be looking ahead to next week's match with Hall, but they'll still have enough to take the Razorbacks.

BENTON 21, Little Rock Hall 14. This may be picking an upset, but Benton has had absolutely no trouble so far and Hall has squeaked in both games and must get ready for Fort Smith next week.

LITTLE ROCK CENTRAL 14, El Dorado 13. The Tigers are bigger and deeper, and they're at home.

JONESBORO 14, Blytheville 7. The Chicks have met Hall and Fort Smith in two successive Fridays and should be a bit shopworn despite a good start.

SMACKOVER 13, Hot Springs 0. Smackover is honing for the 4AA title match with Camden. Hot Springs is just honing.

NORTH LITTLE ROCK 7, Conway 0. Conway may rise to the occasion, but so far hasn't shown

ing people."

The door opened a moment or so later and Lynch came into the cockpit. He had changed into faded khaki dungarees and a brown pullover sweater. The gun hung in his hand. "On target, I see," he said, glancing over Beecher's shoulder at the compass. "Well and good. You get some sleep now," he said to Laura. "Beecher and I have to mull over the navigational drill."

When Laura had gone, Lynch sat down at the co-pilot's column and flipped open a sturdily bound book of navigation charts. He put the gun in his lap, took a pencil from the upper breast pocket of his coveralls.

"First of all, drop down to about 500 feet now," he said. "We don't want the radar at Gib to pick us up."

Beecher pushed the control column forward and watched the airspeed and altitude indicators. Beecher checked his instruments. They were almost at 500 feet, and he could see the string of lights gleaming at the base of Gibraltar.

"Did you knock the radios out?" he asked Lynch.

"Yes, of course. Short-circuited the inverters." Lynch's small smile was reflected in the windshield. "I imagined you'd be lonely up here, and I didn't want you chatting to any stations on the ground. You see, I do know my way around aircraft. I don't want you messing around with the mixture controls or prop synchronization unless I should tell you to. And leave the cowl flaps and magneto's alone. I like a smooth ride."

Believes Hog Offense Will Outscore Texas

By HAROLD CLAASSEN
Associated Press Sports Writer

NEW YORK (AP)—After barely surviving last week's flock of upsets (40 right, 17 wrong for 702) these college football selections are made by the tried and true hat-pin method — just stab and forget.

Michigan State over Notre Dame: For the second straight weekend Michigan State participates in one of the schedule's best games.

Mississippi over Tulane: Mississippi doubled the score on the Greenies a year ago.

Arkansas over Texas: Arkansas' new attack will prevail over the Longhorns.

Iowa over Wisconsin: The Hawkeyes have too much for Ron Miller's passing to overcome.

Alabama over Tennessee: The Alabama defense is about as stingy as they come while Pat Trammell, the team's quarterback, is about as good as they come.

Ohio State over Northwestern: Bob Ferguson gives the Buckeyes the edge.

Colorado over Kansas State: The Buffaloes now are determined to go all the way.

Georgia Tech over Auburn: You gotta stick with Stan Gann.

Louisiana State over Kentucky: The Bayou Bengals get revenge for that surprising 3-0 setback of a year ago.

Missouri over Iowa State: There just are not enough Iowa Staters to hold the horde of Missourians at bay.

Syracuse over Penn State: The midweek hospital report says that all three of Syracuse's top three quarterbacks are battered and sore—and that Ernie Davis is the strength of past seasons.

Camden 13, Pine Bluff 7. A great football team between two great defenses. But Camden's offense has showed more.

A look around Class AA: Fayetteville 10, Joplin 7, Dave Oliphant's toe will make the difference for the second week in a row.

Rogers 6, Harrison 0. Flip the coin.

Springdale 28, Bentonville 6. Springdale won't lose again.

Van Buren 20, Subiaco 0. Van Buren driving toward IAA title.

Forrest City 12, Paragould 7. Newport beat Paragould, 33-19. Forrest City beat Newport, 19-6.

Helena 13, Stuttgart 6. Stuttgart has had a week of rest but Helena probably was looking ahead when it lost to De Witt.

West Memphis 19, Newport 13. West Memphis has been getting stronger ever since its loss to Blytheville.

Wynne 13, Searcy 0. Searcy is good, but Wynne has lost three straight and should be ready for a comeback.

Morrilton 7, Little Rock Catholic 6. Catholic finally scored last week, but one touchdown doesn't make up for six defeats.

Jacksonville 13, Malvern 6. Jacksonville unbeaten, with five straight, and only Benton will change that.

Russellville 27, Clarksville 14. Russellville was stung by Benton last week and will make a comeback.

Hope 12, Magnolia 6. You can't tell about these two. Hope played four close ones, then lost to winless Fairview.

Fairview 6, Bearden 0. With luck.

Wynn May Still Hit 300 Games

CHICAGO (AP)—Early Wynn, the patriarch of the Chicago White Sox pitching staff, still may hit baseball's charmed mark of 300 victories next season.

Wynn, 41, had his ailing pitching arm checked by club doctors this week. They found the swelling in his right elbow almost disappeared, and Wynn was able to straighten out his arm, something he was unable to do most of last season.

The doctors said it appeared Wynn can resume pitching next spring. He now owns 292 major league victories, needing 8 to reach the 300 mark.

7-A Teams in Crucial Game at 8 p. m.

The two top football teams of the 7-A Conference — Nashville Scrappers and Prescott Curley Wolves — hold the spotlight in southwest Arkansas when they meet at 8 o'clock this Friday night at the Prescott stadium.

Both are unbeaten in conference play.

Nashville has won six games, with one tie. Prescott has been victorious in five contests, losing only to nonconference Eudora, by a single touchdown last Friday.

The Nashville Scrappers have defeated the following: Dierks, Gordon, Ashdown, Mabelvale, Idabel, and DeQueen. They were tied by Arkadelphia.

Prescott has beaten Magnolia, Arkadelphia, Gordon, Magnet Cove, and Lewisville; but lost to Eudora last Friday.

At first glance the odds would seem to favor Prescott because of its victory over Arkadelphia, which held Nashville to a tie. But comparative scores mean nothing from one weekend to another.

Balanced against the Arkadelphia comparison is the fact that Nashville steam-rolled DeQueen, which had previously beaten Hope.

All of which indicates the Prescott stadium will be jam-packed when the whistle blows on two great football teams at 8 o'clock this coming Friday night.

Yanks' Series Take \$7,389 a Player

NEW YORK (AP) — The victorious New York Yankees each received \$7,389.11 for their World Series victory over the Cincinnati Reds, but they came out about \$1,100 poorer than the Pittsburgh Pirates, who won in 1960.

The Pirates came out with \$8,479.94 each last year because their home park, Forbes Field, had a bigger capacity than Cincinnati's Crosley Field. The share for each Yankee was

the lowest since 1952, Commissioner Ford Frick announced Tuesday. The Yanks of 1952 each banked \$5,982.65 after beating Brooklyn in the series.

The Yanks voted 36 1-6 shares, plus cash awards of \$4,500. This included 33 full shares along with seven fractional slices.

The ancestors of today's Bretons fled to Brittany, France, from Cornwall, Ireland, and Wales during the 5th and 6th Century invasions by Angles and Saxons of Great Britain.

Bobcats Play Host to the Panthers

The leadership in the Div. 4AA conference football race will not change this week as the co-leaders both play in non-conference games with Big 9 opponents. Last week's results found the Fairview Cardinals winning their first league game of the season.

Only two conference games were played last week and only one will be played this week.

Smackover and Camden currently leading the division with 30 records. Play Big 9 this week. Smackover plays host to Hot Springs and Camden plays its scheduled game on the day of Pine Bluff. In other games Magnolia plays Hope in a conference game which is now a 11 p.m. Homecoming Bonanza at Fairview and Jacksonville at Malvern. Crossett is open.

Last week's results: Camden 7-Crossett 0; Smackover 32-Ar. Malvern 13-Magnolia 10; Hot Springs 14-Hope 12; Fairview 14-Hope 12.

Smackover, Joe Black put on a Magnolia scoring spree, 35 points into the league record, breaking up by one point over Camden, 35-28. McCarty, Black, 19-22 points. McCarty, 41-40, Joe Black is third with 12.

Malvern leads the 1961 team batting.

Hogs Injured for Crucial Texas Game

FAYETTEVILLE, Ark. (AP) — The crippled Arkansas Razorback waited word today from Coach Frank Broyles on whether they would scrimmage at their afternoon practice session.

Broyles nursed the Porkers through a no-contact drill Tuesday and said he wouldn't decide whether there will be contact work today until he takes a look at the squad.
